Calendrier pop-up

JJ/MM/AAAA

9:00

**DATE FIN**

JJ/MM/AAAA

11:00

**Ajouter évènement**

Espace uniquement accessible et visible pour les ADMIN

The diagram illustrates a user interface for adding an event. At the top, there are four navigation links: "AJOUT CONTENU", "AJOUT RDV", "PLANNING", and "RETOUR". Below these, a large orange rectangular area contains the event addition form. The form includes a "Titre" field (empty), a "Description" field (empty), and a "DATE DEBUT" section. The "DATE DEBUT" section consists of two adjacent input fields: the left one is labeled "JJ/MM/AAAA" and the right one is labeled "9:00". Below this is a "DATE FIN" section with similar fields. A callout bubble labeled "Calendrier pop-up" has arrows pointing to the "DATE DEBUT" and "DATE FIN" date input fields. At the bottom of the form is a button labeled "Ajouter évènement". In the top right corner of the orange area, there is a note: "Espace uniquement accessible et visible pour les ADMIN" with an arrow pointing upwards.
